United States District Court for
the Southern District of New York
500 Pearl Street

Re: *Sokolow et al. v. Palestine Liberation Organization et al.*,
04-CV-397 (GBD) (RLE)

Dear Magistrate Judge Ellis,

We represent Plaintiffs in the above-referenced matter. We write to respectfully request a one week extension of time to respond to the defendants' March 9, 2012 interrogatories and document demands.

At the recent conference on June 28 the Plaintiffs withdrew their previously-asserted objections and undertook to respond to these within 30 days, and the Court so directed. Unfortunately, the Plaintiffs find that an additional week is needed. Plaintiffs' co-counsel in Israel are compiling the substantive responses, and have informed me that they require this additional time. Plaintiffs acknowledge that at the June 28 conference Your Honor indicated that requests for lengthy extensions would not be well received; however Plaintiffs respectfully submit that the additional one week now requested is *de minimis*, not lengthy. Defense counsel objects.

In the meanwhile, we wish to apprise the Court that eleven plaintiff's depositions, eleven Rule 35 mental exams, and three physical exams, are scheduled to be held in the next week.

Additional one week,
as requested, GRANTED.

SO ORDERED

Ronald L. Ellis 8-7-12

MAGISTRATE JUDGE RONALD L. ELLIS

Respectfully yours,

Robert J. Tolchin
